FAIRS Export Certificate Report

Approved By:

Michael T. Henney

Prepared By:

Alice Cancikova, Jana Mikulasova

Report Highlights:

This report covers only export certificates required by the Czech Republic to accompany imported products, which differ from EU export certificate requirements.

The Czech Republic has implemented all but the below mentioned EU regulations regarding required export certifications.

For information on EU export certifications, please see GAIN report no. E60015, [EU-27 FAIRS Export Certificate Report](#), released March 23, 2011.

Section I. List of All Export Certificates Required By Government (Matrix) :

I. Czech Republic Specific Required Export Certification

The Czech Republic requires certification of the follow animals/insects by the exporting country.

Product(s)	Title of Certificate	Attestation Required on Certificate	Purpose	Requesting Ministry
Vivarium animals	Certificates for import into the Czech Republic will be issued individually upon request of the importer by the State Veterinary Administration (see contacts). Note: these certificates are not harmonized with EU certificates.			State Veterinary Administration (Ministry of Agriculture)
Invertebrates				
Rodents				
Insectivores				
Carnivores / Predators (<i>carnivora</i>)				
Marsupials				
Chiropteran				
Pet birds	Import requires authorization from the State Veterinary Administration (in addition to an EU harmonized certificate) – applies until June 30 th 2012
